Dear Mrs. Tucker:
I received your card
yesterday & was surprised
to see that I am visiting
in New York having a
lovely time, going in the
ocean twice a day. I have
been acting as secretary
during the month of July
and taking trips to attractive City
Wildwood and Seaside Park
are thrown in. Sometimes it
seems as if I can't get
there. I hope your will be
able to do so later. I'm sure you
will be glad to do so when you see
the lists of love, Virginia.
